

Dr. Vince Grolmusz
Ugron G. u. 8.
H-1118 Budapest
Hungary

July 15, 2004

I, Vince Grolmusz, claim the small entity status for my non-provisional patent application, filed today.

A handwritten signature in black ink, appearing to read "Grolmusz Vince". The signature is fluid and cursive, with the first name "Grolmusz" written in a larger, more prominent script than the last name "Vince".
